Still Mine

Mary Wine

Still Mine Mary Wine

Love is the last line of defense.

Jolene Benate has spent six years keeping a vow to herself to never again be that weak woman weeping at her young husband's graveside. Now she's a deputy marshal on the elite warrant squad, as physically and mentally tough as they come. But moving on isn't as easy as it looks.

Especially when the husband she thought was dead suddenly reappears. And, even in the face of his betrayal, she still wants him.

Paul Benate's gifted mind was groomed from a young age to serve the military and its top-secret projects. His one youthful act of rebellion was to marry Jolene, only to discover a terrorist could use her to force him to give up his classified secrets. For her own safety, he had to let her go.

But the safety he thought was assured by his "death" was only an illusion. Secrets have a way of surfacing, and once again Jolene is the perfect target. There's only one thing left to do...reclaim the woman that he has always loved.

Even if she's mad as hell at him.

From reader reviews:

Dorothy Marr:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each guide has different aim or goal; it means that reserve has different type. Some people really feel enjoy to spend their time for you to read a book. They may be reading whatever they acquire because their hobby is definitely reading a book. What about the person who don't like examining a book? Sometime, man feel need book once they found difficult problem or perhaps exercise. Well, probably you will want this Still Mine.

Kathryn Kern:

In this 21st centuries, people become competitive in every way. By being competitive at this point, people have do something to make all of them survives, being in the middle of the particular crowded place and notice by surrounding. One thing that often many people have underestimated the idea for a while is reading. Yeah, by reading a book your ability to survive increase then having chance to stand than other is high. For you personally who want to start reading the book, we give you that Still Mine book as starter and daily reading e-book. Why, because this book is more than just a book.

Anthony Moss:

As people who live in the actual modest era should be up-date about what going on or details even knowledge to make these individuals keep up with the era which is always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know which you should start with. This Still Mine is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Isaac Lewis:

A lot of e-book has printed but it differs from the others. You can get it by net on social media. You can choose the most beneficial book for you, science, witty, novel, or whatever by means of searching from it. It is known as of book Still Mine. You can contribute your knowledge by it. Without making the printed book, it could add your knowledge and make you actually happier to read. It is most crucial that, you must aware about guide. It can bring you from one place to other place.
