The Theory of Poker: A Professional Poker Player Teaches You How To Think Like One David Sklansky

The Theory of Poker by David Sklansky discusses theories and concepts applicable to nearly every variation of the game, including five-card draw (high), seven-card stud, hold 'em, lowball draw, and razz (seven-card lowball stud). This book introduces you to the Fundamental Theorem of Poker, its implications, and how it should affect your play. Other chapters discuss the value of deception, bluffing, raising, the slow-play, the value of position, psychology, heads-up play, game theory, implied odds, the free card, and semibluffing.

Many of today's top poker players will tell you that this is the book that really made a difference in their play. That is, these are the ideas that separate the experts from the typical players. Those who read and study this book will literally leave behind those who don't, and most serious players wear the covers off their copies. This is the best book ever written on poker.

From reader reviews:

Katie Phillips:

Information is provisions for folks to get better life, information today can get by anyone in everywhere. The information can be a know-how or any news even a problem. What people must be consider whenever those information which is inside former life are challenging to be find than now's taking seriously which one is suitable to believe or which one typically the resource are convinced. If you get the unstable resource then you have it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take The Theory of Poker: A Professional Poker Player Teaches You How To Think Like One as your daily resource information.

Margarita Culbertson:

Reading a book to be new life style in this 12 months; every people loves to read a book. When you examine a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, and soon. The The Theory of Poker: A Professional Poker Player Teaches You How To Think Like One will give you new experience in studying a book.

Nancy Harris:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Theory of Poker: A Professional Poker Player Teaches You How To Think Like One can make you truly feel more interested to read.

Walter Dion:

A lot of people said that they feel weary when they reading a publication. They are directly felt it when they get a half areas of the book. You can choose the particular book The Theory of Poker: A Professional Poker Player Teaches You How To Think Like One to make your own reading is interesting. Your skill of reading ability is developing when you including reading. Try to choose straightforward book to make you enjoy to see it and mingle the idea about book and examining especially. It is to be initial opinion for you to like to wide open a book and read it. Beside that the publication The Theory of Poker: A Professional Poker Player Teaches You How To Think Like One can to be a newly purchased friend when you're feel alone and

confuse with what must you're doing of that time.
