Weekend Woodturning Projects: 25 Designs to Help Build Your Skills Mark Baker

This title features 25 practical projects from world renowned woodturning expert. It will appeal to novice and intermediate turners. It includes all the knowledge needed to get started, along with step-by-step instructions and detailed drawings. Build your woodturning skills and confidence with this variety of projects that take between a couple of hours and a couple of days to complete. All of the 25 projects can be undertaken using a limited amount of tools and equipment. Making use of the six basic tools - spindle roughing gouge, spindle gouge, parting tool, bowl gouge, skew chisel and scrapers - the book will introduce a couple of carving tools and a boring tool and explain why and how to use them. Each project will have a list of tools and materials required, drawings with dimensions and a panel on the wood used. Sections on safety and seasoning wood are also included. Projects include: napkin rings, rolling pin, pastry press, meat tenderizer, wall clock, and bud vase
