Bill Gates: Behind Microsoft, Money, Malaria Forbes Staff

From PCs to vaccines, *Forbes* has followed Bill Gates' long, incredible career from the beginning, and the world's richest problem solver doesn't seem to be slowing down anytime soon.

In 1975 few would have ventured that Gates' fledgling startup Microsoft would transform the PC software industry and make Gates the world's richest person in the process, but few have Gates' uncanny knack for identifying and profiting from technological trends.

Gates didn't slow down after building his Microsoft empire though. Through the Bill & Melinda Gates Foundation he has since directed his keen business acumen and problem-solving prowess to a new mission: eradicating malaria, measles, AIDS, hepatitis B and an array of other communicable diseases.

But the Gateses don't just dole out dollars. True to the Microsoft visionary's nature, the foundation seeks to find innovative ways to solve the world's problems—like creating its own malaria vaccines instead of simply buying them.

In chronicling Gates' storied career from Microsoft's early days to his wild successes as a philanthropist, *Forbes* has encountered an enduring theme: Doubt Bill Gates at your own risk.

Robert Wolfe:

You can get this Bill Gates: Behind Microsoft, Money, Malaria by visit the bookstore or Mall. Just viewing or reviewing it could possibly to be your solve challenge if you get difficulties for ones knowledge. Kinds of this guide are various. Not only by means of written or printed but also can you enjoy this book by simply e-book. In the modern era including now, you just looking of your mobile phone and searching what their problem. Right now, choose your own personal ways to get more information about your publication. It is most important to arrange yourself to make your knowledge are still update. Let's try to choose suitable ways for you.

Eun Christensen:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Bill Gates: Behind Microsoft, Money, Malaria can make you experience more interested to read.
