Las organizaciones internacionales (Biblioteca Universitaria / University Library) (Spanish Edition)

Manuel Diez de Velasco

Esta obra trata de dar respuesta a las nuevas exigencias derivadas de la creciente interdependencia entre los Estados y otros entes Internacionales, así como de la mundialización o globalización que caracterizan el presente contexto internacional. Esta nueva edición, ya la decimosexta, recoge los principales cambios acaecidos en las diversas O.I. existentes con una atención destacada a la Organización de Naciones Unidas. La presente obra aparece dividida en tres grandes partes; en la primera se abordan cuestiones relativas a las O.I.: antecedentes, concepto, caracteres, tipología, personalidad jurídica y sus manifestaciones, participación en las mismas, estructura, formación de la voluntad, medios materiales y jurídicos de acción, etc. Una segunda parte se dedica al examen y análisis de las O.I. de ámbito universal; no solo la O.N.U. y sus Organismos especializados, sino la Organización Mundial del Comercio, la del Turismo, la Autoridad Internacional de los Fondos Marinos y la Corte Penal Internacional. Finalmente, en una amplia tercera parte, se estudian las O.I. de ámbito regional agrupadas por continentes.
