Loyola University New Orleans College of Law: A History Maria Isabel Medina

Maria Isabel Medina's chronicle of Loyola University New Orleans College of Law examines the prominent Jesuit institution across its hundred-year history, from its founding in 1914 through the first decade of the twenty-first century. With a mission to make the legal profession attainable to Catholics, and other working-class persons, Loyola's law school endured the hardships of two world wars, the Great Depression, the tumult of the civil rights era, and the aftermath of Hurricane Katrina to emerge as a leader in legal education in the state.

Exploring the history of the college within a larger examination of the legal profession in New Orleans and throughout Louisiana, Medina provides details on Loyola's practical and egalitarian approach to education. As a result of the school's principled focus, Loyola was the first law school in the state to offer a law school clinic, develop a comprehensive program of legal-skills training, and to voluntarily integrate African Americans into the student body.

The transformative milestones of Loyola University New Orleans College of Law parallel pivotal points in the history of the Crescent City, demonstrating how local culture and environment can contribute to the longevity of an academic institution and making Loyola University New Orleans College of Law a valuable contribution to the study of legal education.

From reader reviews:

Phillip Barker:

Have you spare time to get a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity intended for spend your time. Any person spent their spare time to take a walk, shopping, or went to the actual Mall. How about open or perhaps read a book entitled Loyola University New Orleans College of Law: A History? Maybe it is to get best activity for you. You already know beside you can spend your time along with your favorite's book, you can wiser than before. Do you agree with their opinion or you have various other opinion?

Clyde Traynor:

The book Loyola University New Orleans College of Law: A History can give more knowledge and also the precise product information about everything you want. So why must we leave the great thing like a book Loyola University New Orleans College of Law: A History? A few of you have a different opinion about publication. But one aim which book can give many data for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or details that you take for that, it is possible to give for each other; it is possible to share all of these. Book Loyola University New Orleans College of Law: A History has simple shape but you know: it has great and big function for you. You can seem the enormous world by wide open and read a reserve. So it is very wonderful.

Lillian Kea:

As people who live in the particular modest era should be upgrade about what going on or details even knowledge to make these keep up with the era that is always change and move forward. Some of you maybe may update themselves by reading through books. It is a good choice for you personally but the problems coming to a person is you don't know which you should start with. This Loyola University New Orleans College of Law: A History is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Kirk Thomas:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Loyola University New Orleans College of Law: A History can make you sense more interested to read.
