"This book is part of the Winter Studs trilogy. Kyle Winter is in love with his best friend, but there is no way he's going to tell her and risk that friendship. Kayla Robard is in love with her best friend. Has been forever. With Christmas looming, Kayla decides it's time to tell Kyle how she feels. Then Kyle uncovers another secret — Kayla's need for bondage and submission — and his desire for her burns too strongly to ignore. Now they must decide if they're going to risk it all for the intimacy and wild indulgence they've been seeking for years."
