Shadow King Kyra Dune

Reports of a dragon spotted in the Crystalline Mountains has King Daemon on edge. He'd rather not believe it's true, but a confirmation from the High Priest is hard to ignore.

Del has a secret. One not entirely his own. A secret too dangerous to keep, yet one that if revealed could cost someone he cares for her life.

When a vision forces Rowlin to leave his home and the only world he's ever known, he has no idea what lies ahead of him.

Clayden realizes that to uncover the meaning of the words written in the book marked only with the name Spiros he must make a journey to a place he left long ago. A place to which he never intended to return.

As Prince Dominus' fourteenth spring nears, he dreams of being king. And if his mother has her way, those dreams may come true sooner than he thinks.

The wheel of time continues to turn and each step taken, each choice made, pushes them all inexorably forward down the path toward the Watchtower. For there will be war and neither gods nor men can stop it. The only questions that remain is where they will stand when the time comes and which side will win.
