Sharon Osbourne: Unauthorized, Uncensored - Understood Sue Crawford

For decades Sharon Osbourne has governed the career of her husband, the legendary Ozzy Osbourne, and transformed her entire family into international superstars, grossing a £100 million fortune in the process. She is not just another rock wife. She is a woman who has carved out her own path, and enjoyed immense success as a result. *Sharon Osbourne: Unauthorized, Uncensored - Understood* explores the real woman behind the relentless media circus, tracing Sharon's life from her rebellious adolescence to the drink-and-drug-fuelled years on the road with Ozzy, right through to her current incarnation as an *X Factor* judge and popular TV star. The book also examines the agonizing times of Sharon's life, as well as the triumphs, providing an in-depth profile of the most powerful woman in rock. It reveals not only the 'marketing genius' careerist familiar to us all, but also a true icon for our times. The book is fully updated to include Sharon's problems with her health and Ozzy's relapse into drink and drugs, as well as her spectacular return to *The X Factor* as a judge for the tenth series of the show.
