Spies of the Bible

Rose Mary Sheldon

Spies of the Bible Rose Mary Sheldon

In *Spies of the Bible*, Rose Mary Sheldon highlights the importance of espionage and traces the role intelligence has played from the Jewish exodus from Egypt to the Bar Kochba Revolt. The Near East has been fiercely contested by various parties for thousands of years, and much of the fighting was conducted not in large-scale battles and confrontations, but in smaller guerrilla operations of low-intensity conflict. Since the very key to guerrilla operations or surprise attacks is knowing where the enemy will be, timely and accurate intelligence is essential. The Jews fought as guerrillas when they were nomads in the desert trying to take over the cities of Canaan. As an occupied state, they fought three wars of liberation against the Greeks and Romans. This too meant fighting as guerrillas, employing terrorist tactics and organizing clandestinely. The modern irony is that it is the Jews who are the established power in their homeland, and it is the Palestinians who are fighting a guerrilla war in the form of the intifada. This type of warfare seems to be endemic to the region because of its small size, and therefore intelligence will always play a large part in any conflict. Rose Mary Sheldon's book is the first substantial work to examine warfare in the ancient Near East and the crucial role of intelligence gathering in the Holy Land. Her text includes an analysis of the Last Supper, the trial of Jesus before Pontius Pilate, the attack on Masada, the Maccabees and the Battles of Beth Horon, Emmaus and Beth Zur.

From reader reviews:

Pamela Bradley:

What do you about book? It is not important with you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy man? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. They should answer that question since just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this particular Spies of the Bible to read.

Carlos Vickers:

As people who live in often the modest era should be change about what going on or facts even knowledge to make these keep up with the era and that is always change and move ahead. Some of you maybe will certainly update themselves by examining books. It is a good choice for you personally but the problems coming to you actually is you don't know what one you should start with. This Spies of the Bible is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Gayle Stalder:

Playing with family in a park, coming to see the sea world or hanging out with buddies is thing that usually you could have done when you have spare time, in that case why you don't try thing that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Spies of the Bible, you may enjoy both. It is great combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout guys. What? Still don't buy it, oh come on its referred to as reading friends.

Marivel Tye:

What is your hobby? Have you heard in which question when you got learners? We believe that that issue was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And also you know that little person like reading or as reading through become their hobby. You need to know that reading is very important in addition to book as to be the factor. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update about something by book. Many kinds of books that can you take to be your object. One of them are these claims Spies of the Bible.
