Bay View is a jewel box of a Northern Michigan Chautauqua community along the shores of Little Traverse Bay, southwest of the Mackinac Bridge. Founded in 1875 and now a National Historic Landmark, its 31 public buildings and 450 cottages are among the most pristine examples of 1900-era High Victorian architecture in the United States. Historical photographs capture the fascinating journey via rail and Great Lakes steamer to the early campground's beech-forested hillside. Rare images trace its path from a wilderness Methodist campground to a vibrant embodiment of Chautauqua's four pillars: the arts, education, recreation, and religion. Building on the Camp Meeting and Chautauqua traditions, the founders forged a unique lifestyle that ends every November only to resume with renewed energy every April. The turrets, towers, and gingerbread of this timeless Brigadoon excite the imagination today just as they did more than 135 years ago.
