Our pets are the welcoming committee when we return from a trip ... a day at work ... or a walk down the hall. They are our healers, encouraging better health through their presence in our lives. Sometimes they make us laugh and sometimes they comfort us when we cry. It's no wonder we grieve them when they're gone. *Healing From the Loss of A Pet* explains why it's so hard to lose a pet and provides gentle tools for healing. This unique, 2 CD set includes • the reasons why losing a pet can be so hard • what to do when friends don't understand • the roles that pets play in our lives • how to deal with the question of euthanasia • what to do if you're angry • how the grieving process works • tools for healing from your loss • a guided visualization that allows you to reconnect with your pet
