**Thelma Cobb:**

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we

know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Manual of United States Surveying. System of Rectangular Surveying Employed in Subdividing the Public Lands of the United States; Also Instructions Fo can make you really feel more interested to read.
