How far would you go to survive?

In FIRE & FLOOD, Tella Holloway faced a dangerous trek through the jungle and a terrifying march across the desert, all to remain a Contender in the Brimstone Bleed for a chance at obtaining the Cure for her brother. She can't stop - and in SALT & STONE, Tella will have to face the unseen dangers of the ocean, the breathless cold of a mountain, and twisted new rules in the race.

But what if the danger is deeper than that? How do you know who to trust when everyone's keeping secrets? What do you do when the person you'd relied on most suddenly isn't there for support? How do you weigh one life against another?

The race is coming to an end, and Tella is running out of time, resources, and strength. At the beginning of the race there were one hundred twenty-two Contenders. As Tella and her remaining friends start the fourth and final part of the race, just forty-one are left . . . and only one can win.

Victoria Scott's stunning thriller will leave readers' hearts racing!
