The Hambledown Dream Dean Mayes

Australian Denny Banister had it all; a successful career, a passion for the guitar, and Sonya - the love of his life. Tragically, Denny is struck down with inoperable cancer. Andy DeVries has almost nothing; alienated from his family, moving through a dangerous Chicago underworld dealing in drugs, battling addiction while keeping a wavering hold on the only thing that matters to him: a place at a prestigious conservatory for classical guitar in Chicago. As Andy recovers from a near fatal overdose, he is plagued by dreams - memories of a love he has never felt, and a life he's never lived. Driven by the need for redemption and by the love for a woman he's never met, he begins a quest to find her, knowing her only by the memories of a stranger and the dreams of a place called Hambledown...
