This is the much anticipated new hymnal that will inspire Catholics to want to sing the great sacred music of our heritage. Beautifully bound, this hymnal is much more than a collection of hymns. Following the general plan in Musicam Sacram, this hymnal consists of three major sections: the Order of the Mass; musical settings for the Ordinary of the Mass; and a selection of about 160 of the most beautiful hymns ever written - for every season of the liturgical year and other feasts and holidays. All three sections include Latin and English selections.
