Fanfarlo (The Art of the Novella)

Charles Baudelaire

Fanfarlo (The Art of the Novella) Charles Baudelaire

A stunning new translation of a neglected masterpiece by one of history's most celebrated writers.

Ten years before Baudelaire published his masterpiece, *The Flowers of Evil*, the great poet penned the only prose fiction of his career: *La Fanfarlo*. The novella describes the torrid real-life affair the poet had with Jean Duval, a dancer whose beauty and sexuality Baudelaire came to obsess over. The outcome is a work of raw emotional power and a clear distillation of the Parisian's poetic genius. As Baudelaire himself said, "Always be a poet, even in prose."

This is a **Hybrid Book**.

Melville House HybridBooks combine print and digital media into an enhanced reading experience by including with each title additional curated material called **Illuminations** — maps, photographs, illustrations, and further writing about the author and the book.

The Melville House Illuminations are free with the purchase of any title in the HybridBook series, no matter the format.

Purchasers of the print version can obtain the Illuminations for a given title simply by scanning the QR code found in the back of each book, or by following the url also given in the back of the print book, then downloading the Illumination in whatever format works best for you.

Purchasers of the digital version receive the appropriate Illuminations automatically as part of the ebook edition.
