Los judios del Papa (Spanish Edition) Thomas Gordon

La historia no ha sido amable con Pío XII. Solo baste decir que ha sido llamado a menudo, y por muchos, “el Papa de Hitler”, de manera natural, como si no hubiera duda sobre la complicidad. Se lo acusó de haber mantenido silencio durante del Holocausto, de no haber defendido con mayor vehemencia a los sacerdotes que era perseguidos y asesinados en Alemania y luego, tras el fin de la Segunda Guerra Mundial, de haber ayudado a escapar a un gran número de nazis hacia América latina. Gordon Thomas conoce esta versión de la historia, y lejos de suscribirla, la rebate paso a paso. Gracias a una investigación que incluye material hasta hoy desconocido, saca a la luz una red subterránea de sacerdotes, monjas y ciudadanos católicos que arriesgaron sus vidas para proteger y rescatar a miles de judíos. Al mismo tiempo, revela conspiraciones e intentos de asesinato, y muestra como el mito de la complicidad se asentó sobre información falsa y a veces antojadiza. Por último, responde a la gran pregunta política y moral: ¿Por qué el Papa Pío XII se negó a condenar el genocidio de los judíos de Europa? Los judíos del Papa es un libro apasionante y sorprendente. Es una investigación que se lee como si fuera una novela de espionaje, y un ejemplo logrado de que las verdades repetidas no son necesariamente la verdad. Son apenas argumentos cómodos y funcionales que Gordon Thomas desmiente con autoridad y estilo.

“Uno de los pocos libros que reflejan con exactitud la verdad sobre los terribles años de la Segunda Guerra Mundial, basado en evidencia documentada y no en acusaciones sin soporte”. Gary Krupp

From reader reviews:

Otis Kozlowski:

Information is provisions for those to get better life, information nowadays can get by anyone from everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is from the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Los judios del Papa (Spanish Edition) as your daily resource information.

Clarence Nelson:

That reserve can make you to feel relax. This specific book Los judios del Papa (Spanish Edition) was colorful and of course has pictures on there. As we know that book Los judios del Papa (Spanish Edition) has many kinds or genre. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and believe you are the character on there. Therefore , not at all of book usually are make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading in which.

Maritza Kress:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Los judios del Papa (Spanish Edition) can make you really feel more interested to read.

Nelson McNamee:

What is your hobby? Have you heard which question when you got learners? We believe that that issue was given by teacher with their students. Many kinds of hobby, Every person has different hobby. And you know that little person such as reading or as reading through become their hobby. You need to know that reading is very important as well as book as to be the thing. Book is important thing to include you knowledge, except your teacher or lecturer. You will find good news or update concerning something by book. Many kinds of books that can you take to be your object. One of them are these claims Los judios del Papa (Spanish Edition).
