E-Z Spanish Grammar (Barron's E-Z Series) Boris Corredor

This textbook supplement for language students focuses on correct grammatical construction and word usage in Spanish. Covered in detail are parts of speech, verb tenses, regular and irregular verbs, sentence structure, interrogative sentences, the conditional and subjunctive moods, and more. The book is filled with practice exercises and answers. Barron's continues its ongoing project of updating, improving, and giving handsome new designs to its popular list of *Easy Way* titles, now re-named *Barron's E-Z Series*. The new cover designs reflect the books' brand-new page layouts, which feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever. Charts, graphs, diagrams, instructive line illustrations, and where appropriate, amusing cartoons help to make learning E-Z. *Barron's E-Z* books are self-teaching manuals focused to improve students' grades across a wide array of academic and practical subjects. For most subjects, the skill level ranges between senior high school and college-101 standards. In addition to their self-teaching value, these books are also widely used as textbooks or textbook supplements in classroom settings. *E-Z* books review their subjects in detail, using both short quizzes and longer tests to help students gauge their learning progress. All exercises and tests come with answers. Subject heads and key phrases are set in a second color as an easy reference aid.
