Photograph the Face

Photograph the Face

The face is the most important part of any portrait—but there are over seven billion unique faces on this planet and no single approach that will flatter every one of them. In this book, acclaimed photo-educator Jeff Smith shows you how to rise to the challenge. Step-by-step lessons show you how to customize every aspect of the portrait to emphasize your client's best features through careful posing and conscious placement of each light source. Simple fixes are also included to disguise common issues like double chins, larger noses, protruding ears, and uneven eyes—along with tips for slimming the face, enhancing symmetry, and de-emphasizing signs of aging. Before and after images are provided throughout, making it easy to master each skill and begin creating portraits that practically sell themselves.

From reader reviews:

Colleen Thompson:

Spent a free time and energy to be fun activity to perform! A lot of people spent their down time with their family, or their friends. Usually they accomplishing activity like watching television, planning to beach, or picnic in the park. They actually doing same task every week. Do you feel it? Do you need to something different to fill your own personal free time/ holiday? May be reading a book might be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to test look for book, may be the guide untitled Photograph the Face can be very good book to read. May be it may be best activity to you.

Terry Matlock:

The reason why? Because this Photograph the Face is an unordinary book that the inside of the publication waiting for you to snap this but latter it will jolt you with the secret it inside. Reading this book alongside it was fantastic author who write the book in such remarkable way makes the content interior easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I had been you I will go to the publication store hurriedly.

Eduardo Ford:

As we know that book is vital thing to add our knowledge for everything. By a e-book we can know everything we would like. A book is a range of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This e-book Photograph the Face was filled concerning science. Spend your free time to add your knowledge about your scientific research competence. Some people has various feel when they reading a new book. If you know how big advantage of a book, you can sense enjoy to read a reserve. In the modern era like at this point, many ways to get book that you just wanted.

Larry Tatro:

A number of people said that they feel bored when they reading a publication. They are directly felt it when they get a half elements of the book. You can choose the particular book Photograph the Face to make your own reading is interesting. Your own personal skill of reading talent is developing when you including reading. Try to choose very simple book to make you enjoy to study it and mingle the idea about book and looking at especially. It is to be first opinion for you to like to available a book and learn it. Beside that the reserve Photograph the Face can to be your brand new friend when you're experience alone and confuse in doing what must you're doing of these time.
