## **The True Herod** Geza Vermes

Who was Herod the Great? How did he come to govern one of the most politically tumultuous regions in the world? Was he the heartless baby-killer of Matthew's Gospel, or does this popular tale do Herod a great disservice?

Geza Vermes, whose work on the Historical Jesus and the Dead Sea Scrolls has made him one of the most recognisable names in Biblical and Jewish studies, provides a new portrait of Herod. Vermes examines Herod's legacy as a political leader, and a potentate, a man of culture, and an all-round smooth operator. Vermes opens up the fascinating character of Herod, from his sizable and fragile ego to his devastation at the execution of his beloved wife, an execution that Herod ordered himself. Beginning with the key historical sources (notably Josephus) Vermes moves on to consider Herod's greatest legacy and testament - his extensive building works, which include the Temple in Jerusalem, Masada and Herodium. Colour images, combined with Vermes' lively prose make this new picture of Herod an enticing and informative guide to one of Ancient History's most misunderstood figures.

### From reader reviews:

#### **Elizabeth Parker:**

What do you ponder on book? It is just for students since they are still students or the idea for all people in the world, exactly what the best subject for that? Merely you can be answered for that problem above. Every person has several personality and hobby for every other. Don't to be pressured someone or something that they don't would like do that. You must know how great and important the book The True Herod. All type of book can you see on many resources. You can look for the internet options or other social media.

#### **Jackie Lafond:**

Nowadays reading books be a little more than want or need but also become a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want attract knowledge just go with education books but if you want sense happy read one together with theme for entertaining for example comic or novel. The The True Herod is kind of book which is giving the reader erratic experience.

#### **Michael Hilton:**

People live in this new day of lifestyle always aim to and must have the spare time or they will get great deal of stress from both lifestyle and work. So , when we ask do people have extra time, we will say absolutely yes. People is human not just a robot. Then we ask again, what kind of activity do you possess when the spare time coming to an individual of course your answer will certainly unlimited right. Then do you try this one, reading guides. It can be your alternative within spending your spare time, often the book you have read is actually The True Herod.

#### **Alberta Keyes:**

Playing with family within a park, coming to see the coastal world or hanging out with buddies is thing that usually you may have done when you have spare time, after that why you don't try thing that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love The True Herod, you could enjoy both. It is very good combination right, you still would like to miss it? What kind of hang-out type is it? Oh can occur its mind hangout guys. What? Still don't obtain it, oh come on its identified as reading friends.
