What's Life Without the Sprinkles? Misty Simon

Cake maker and single mom Claudia Bradley thinks she has life all figured out—until her best friend Nate starts looking like a mouth-watering dessert and her son's father comes strolling back into the picture as if he'd never left ten years ago. Throw in a case of preteen angst and a family with lots of well-meant advice, and, well, she's whipping up a recipe for chaos!

Nate West has always been there for Claudia, a basic ingredient in her life, but suddenly she is flirting outrageously with him when she's never looked that way at him before—despite his dreams. With her ex-lover back in town, Nate isn't about to renege on his years-old promise to always be the friend Claudia needs, but does she want more?

She's as tempting as butter cream frosting with sprinkles, and he's mighty tempted...

This is a new release of a previously published edition.
