Pilar Ortega

Spanish and the Medical Interview: A Textbook for Clinically Relevant Medical Spanish Pilar Ortega

Focusing on communication needs in real-world clinical situations, Dr. Pilar Ortega's updated edition of this practical text helps you address today's growing demand for Spanish-speaking physicians and healthcare workers. This resource provides basic Spanish skills, sample interview questions, relevant cultural information, and more, in addition to online videos of physician-patient interactions, interactive self-assessment tools, and clinical vignettes. You'll find **exactly what you need to develop better physician-patient communication skills**, increase your cultural competence, and make better clinical decisions in your practice.

Understand the nuts and bolts of better communication through Spanish grammar, vocabulary, pronunciation, sample interview questions, and helpful interview techniques.

- **Improve your skills with new and expanded content** including more practice exercises for self-assessment, information on cultural issues, grammar tips and practice, complex clinical scenarios, and how to best use interpreters in your practice.
- **Stay up to date with new chapters** on pediatric health; common procedures and informed consent; the physician's impression and plan; diabetes medication; travel history and special exposures; adult immunization history; exercise and adult health safety screening; and specialized physical examination.
- **Gauge and hone your doctor-patient communication skills** with interactive self-assessment tools and practice exercises.
- **Watch video of real-time physician-patient exchanges** (with English and Spanish subtitles), complete interactive practice exercises, and learn from clinical vignettes-all online at **Student Consult**.
