Jacob Cameron Asprey, Jr., is the charming son of a charming crook who's currently residing in the state pen. Strangled by family ties, Jake is barely scraping by, working as a lifeguard at the tony country club on the other side of town. He's marking time, treading water, haunted by Sally Godstreet, the woman he's loved all his life—the woman he should have made a life with, now orbiting just out his reach.

When a local crime boss offers him a deal he'd be a fool to take and a chump to pass up, Jake sees a way out of his troubles—until his options begin to close down, and he finds himself at the heart of a dark plot that will place those he loves in harm's way.

This is How You Fall is a story of old flames, old debts, and a new twist on an old con. Part-heist, part-love story, and part-literary noir thriller, it's a moody rumination on identity and loyalty, with dazzling plot twists that lead to an inevitable, destructive conclusion.
