Warehouse

Keith Gray

Warehouse Keith Gray

'I know a place you can go'. It's a secret place hidden among the run-down buildings of the derelict dockyards.

A community of young people have gathered in an old warehouse to get away from a world they don't fit in to. Through separate but interweaving narratives Warehouse tells the stories of three of the community's members. There's Robbie who is running away from his violent older brother, Frank, and needs some space to realise that the beatings are not his fault. Amy, who's supposed to be travelling in Europe but has had her rucksack stolen and is too proud to ask her smothering family for help. And then there's Lem, an ex-drug-addict and founder of the Warehouse community, whose perceived role as leader by the other young people is too much for him to cope with.

From reader reviews:

Miguel Philip:

Have you spare time to get a day? What do you do when you have considerably more or little spare time? Sure, you can choose the suitable activity regarding spend your time. Any person spent their very own spare time to take a go walking, shopping, or went to typically the Mall. How about open or perhaps read a book called Warehouse? Maybe it is being best activity for you. You understand beside you can spend your time together with your favorite's book, you can better than before. Do you agree with the opinion or you have some other opinion?

Jonathan Garcia:

Reading can called thoughts hangout, why? Because while you are reading a book mainly book entitled Warehouse your thoughts will drift away trough every dimension, wandering in every aspect that maybe not known for but surely might be your mind friends. Imaging just about every word written in a publication then become one form conclusion and explanation that maybe you never get before. The Warehouse giving you one more experience more than blown away your head but also giving you useful details for your better life with this era. So now let us show you the relaxing pattern this is your body and mind is going to be pleased when you are finished reading it, like winning a game. Do you want to try this extraordinary spending spare time activity?

Joseph Ortiz:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your day time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you have problem with the book as compared to can satisfy your short period of time to read it because this all time you only find guide that need more time to be read. Warehouse can be your answer given it can be read by an individual who have those short spare time problems.

Ronald Smith:

Reading a book for being new life style in this year; every people loves to examine a book. When you study a book you can get a great deal of benefit. When you read books, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your analysis, you can read education books, but if you want to entertain yourself you can read a fiction books, such us novel, comics, along with soon. The Warehouse offer you a new experience in reading a book.
