## **Anarchist Seeds Beneath the Snow: Left-Libertarian Thought and British Writers from William Morris to Colin Ward** David Goodway

From William Morris to Oscar Wilde and George Orwell, left-libertarian thought has long been an important but neglected part of British cultural and political history. In this detailed study, David Goodway seeks to recover and revitalize that indigenous anarchist tradition. This book succeeds as both a cultural history of left-libertarian thought in Britain and an application of that history to current politics. The author argues that a recovered anarchist tradition could—and should—be a touchstone for contemporary political radicals. Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq, this challenging volume will energize leftist movements throughout the world.
