It's *Bring it On* meets *The Craft* in this spellbinding witchy series debut.

A stolen book. A deadly plan. A destiny discovered.

If high school is all about social status, Indigo Blackwood has it made. Sure, her quirky mom owns an occult shop, and a nerd just won't stop trying to be her friend, but Indie is a popular cheerleader with a football-star boyfriend and a social circle powerful enough to ruin everyone at school. Who wouldn't want to be her?

Then a guy dies right before her eyes. And the dusty old family Bible her mom is freakishly possessive of is stolen. But when a frustratingly sexy stranger named Bishop enters Indie's world, she learns that her destiny involves a lot more than pom-poms and parties. If she doesn't get the Bible back, every witch on the planet will die. And that's seriously bad news for Indie, because according to Bishop, *she's* a witch too.

Suddenly forced into a centuries-old war between witches and sorcerers, Indie is about to uncover the many dark truths about her life—and a future unlike any she ever imagined on top of the cheer pyramid.

From the Hardcover edition.
