## **Pretending** Angela Beausejour

You can't pretend forever. Alicia has been pretending for a long time. She pretends that her marriage isn't in trouble. She pretends she's okay with the nights alone and that she doesn't notice the growing distance between her and her husband. She pretends he's telling the truth. But pretending is a lot more difficult when Antonio Jamieson comes back into her life. He's the man she has claimed is nothing more than a friend. He's the man she has claimed she has no romantic past with. And she really believes that but no else does, not even her husband. As others try to open her eyes to the truth about her feelings for Antonio, Alicia begins to open her eyes to the truth about her relationship with Patrick. Maybe things aren't okay after all. Maybe things need to change. Could it be time to stop Pretending? But what will happen if she stops pretending? Can she handle the truth? Can she handle the pain that's bound to come when everything is revealed? When the truth comes out, everything is going to change in Alicia's world. Her friends have their own truths to deal with, so there's really only person she can turn to Antonio. Could true happiness be hers, or will she continue to pretend there's nothing between them? Will there be an end to her constant Pretending?
