The Birth of Pleasure

Carol Gilligan

The Birth of Pleasure Carol Gilligan

Carol Gilligan, whose classic **In a Different Voice** revolutionized the study of human psychology, now offers a brilliant, provocative book about love. Why is love so often associated with tragedy, she asks. Why are our experiences of pleasure so often shadowed by loss? And can we change these patterns?

Gilligan observes children at play and adult couples in therapy and discovers that the roots of a more hopeful view of love are all around us. She finds evidence in new psychological research and traces a path leading from the myth of Psyche and Cupid through Shakespeare's plays and Freud's case histories, to Anne Frank's diaries and contemporary novels. Groundbreaking and immensely readable, **The Birth of Pleasure** has powerful implications for the way we live and love.

From the Trade Paperback edition.

From reader reviews:

Jennifer Galaviz:

Nowadays reading books be than want or need but also turn into a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The data you get based on what kind of publication you read, if you want have more knowledge just go with knowledge books but if you want truly feel happy read one along with theme for entertaining for instance comic or novel. The particular The Birth of Pleasure is kind of reserve which is giving the reader erratic experience.

Morris Reyna:

Do you have something that you enjoy such as book? The reserve lovers usually prefer to opt for book like comic, brief story and the biggest the first is novel. Now, why not striving The Birth of Pleasure that give your pleasure preference will be satisfied simply by reading this book. Reading habit all over the world can be said as the opportunity for people to know world a great deal better then how they react when it comes to the world. It can't be stated constantly that reading addiction only for the geeky individual but for all of you who wants to end up being success person. So , for all you who want to start studying as your good habit, you could pick The Birth of Pleasure become your current starter.

Isaiah Owen:

Does one one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you just dont know the inside because don't evaluate book by its include may doesn't work this is difficult job because you are afraid that the inside maybe not because fantastic as in the outside look likes. Maybe you answer can be The Birth of Pleasure why because the wonderful cover that make you consider about the content will not disappoint you actually. The inside or content is actually fantastic as the outside or maybe cover. Your reading 6th sense will directly guide you to pick up this book.

Katherine Khan:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Birth of Pleasure can make you feel more interested to read.
