The Caregiver Resource Guide was released in June 2004. The subtitle "Things You Need To Know Before You Know You Need Them," emphasizes the point that most people simply do not know what to do, who to call and how best to help. The Caregiver Resource Guide offers powerful, thought-provoking and actionable perspectives that reflect the authors personal experience and years of research, coupled with the wisdom and experience of thousands of people who have faced long-term care decisions and were willing to share their stories, frustrations and successes to benefit others.

People taking on the roles of caregiver quickly learn that they don't know what to do. Whether you are planning ahead, or are already knee-deep in a crisis, you can avoid the frustration of trying to figure everything out on your own.

The Caregiver Resource Guide provides practical knowledge, perspectives, tools and tips that you can immediately apply to your situation. This Guide cuts through the clutter and confusion, and offers clear, unbiased advice to help you understand and address the issues and alternatives.
