Russell Wiley Is Out to Lunch

Richard Hine

Russell Wiley Is Out to Lunch Richard Hine

Russell Wiley is in deep trouble. A media executive for the failing Daily Business Chronicle, his career is teetering on the brink of collapse, and his sexless marriage is fast approaching its expiration date. With his professional and personal lives floundering, it's no wonder Russell is distracted, unhappy, and losing faith in himself. Making matters worse are his scheming boss, a hot-shot new consultant determined to see Russell ousted, and the beguiling colleague whose mere presence has a disconcerting effect on Russell's starved libido. Disaster seems imminent...and that's before he makes a careless mistake that could cost the paper millions. Russell realizes he must take drastic action if he is going to salvage his career, his love life, and what little remains of his self-respect. Sardonic, edgy, and true to life, this gripping novel offers an insider's view into a newspaper's inner sanctum and the people who oil the wheels of the "old media" machine.
