This pocket-sized, gloss-laminated, accordion-fold map 4 x 9 closed (9 x 32 open) is a graphic work of art that works. It shows 576 square inches of immensely legible cartographic information and diagrammatic 3-D illustrations and is such an advance over what has previously been available that it will be indispensable not only to visitors and participants at this year's Olympics, but to business and recreational travelers in Beijing for years to come.
