?

Since the first night Officer Mick Huon met Mary J Sinclair down at the Convict Inn, fiery sparks of passion have flown between the two of them. After stealing one kiss from her, Mick decides it's best if he keeps his distance from Mary J, mainly due to his steadily rising affection for her that was stirred up from one brief tender moment they shared.

What Mick hadn't counted on was for Mary J to seduce him.

The woman has a fire within her that sets him ablaze with primal lust. To tame a stubborn redhead like Mary J, Mick will have to pull out all the stops if he's planning on enticing her into his bed. But when Mary J's dark past collides with the present, it stirs up more trouble than they were both prepared for.

Can Mick conquer Mary J's past in time or will he end up losing her forever?
