## Vampire's Kiss: & Gay Vampire Sonny Barker, Davy s.

Two vampire novels from the golden age of gay adult fiction offer danger, romance and more than a little super(natural) sex: *Plus ça change, plus c'est la même chose!* In *Vampire's Kiss*, young, ambitious and ostensibly straight attorney Damon Sanger goes on an epic bar crawl and winds up in the swinging '70s bachelor pad-in-a-house-trailer of Alan Drake, red-lipped, white-haired, demonically seductive drinker of... *male essence*. Waking up the next morning at home, Damon tries to convince himself that it was just a fling, but soon realizes he has joined the ranks of the "Homosexual Undead." Does he want to be cured, or did Alan simply set him on a road to sexual self-discovery that Damon never realized was the key to sloughing off his upwardly mobile suburban ennui? Vampire enthusiasts of all stripes will appreciate the charms of Barnabas C. Dracula, the sharp-toothed, romantic hero of *Gay Vampire*. But fans of the vintage horror soap-opera *Dark Shadows* will feel a special frisson when reading the scene in which he's released from a lonely crypt by lonely, teenaged oil-company heir Davy Swanson, an explicit call back to a mid-'70s episode of the groundbreaking supernatural series. The novel's Barnabas and Davy travel a rough road—one paved with scheming relatives, cruel twists of fate, epic miscommunication and a pack of sex-hungry wolves with designs on Davy's tender flesh—but true love, even with a vampire, is a powerful thing.

### From reader reviews:

#### **Raymond Garza:**

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Having book everyone in this world may share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story or even their experience. Not only the storyline that share in the ebooks. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors nowadays always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this Vampire's Kiss: & Gay Vampire.

#### **Kenneth Flowers:**

Why? Because this Vampire's Kiss: & Gay Vampire is an unordinary book that the inside of the book waiting for you to snap the item but latter it will surprise you with the secret the idea inside. Reading this book close to it was fantastic author who have write the book in such amazing way makes the content inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of gains than the other book have such as help improving your expertise and your critical thinking technique. So , still want to hold off having that book? If I were being you I will go to the guide store hurriedly.

#### **Scott Rochelle:**

Do you really one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you find out the inside because don't judge book by its include may doesn't work the following is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer might be Vampire's Kiss: & Gay Vampire why because the wonderful cover that make you consider in regards to the content will not disappoint anyone. The inside or content is fantastic as the outside or cover. Your reading sixth sense will directly direct you to pick up this book.

#### **Keith Mayo:**

A lot of people said that they feel weary when they reading a book. They are directly felt that when they get a half areas of the book. You can choose often the book Vampire's Kiss: & Gay Vampire to make your reading is interesting. Your current skill of reading skill is developing when you such as reading. Try to choose simple book to make you enjoy to study it and mingle the sensation about book and reading through especially. It is to be first opinion for you to like to wide open a book and learn it. Beside that the book Vampire's Kiss: & Gay Vampire can to be your brand new friend when you're experience alone and confuse in doing what must you're doing of these time.
