Dot Smith

Dot: Queen of Riverstone Castle Dot Smith

Dot Smith, Grande Dame of Riverstone, is one-of-a-kind - engaging, entertaining and entrepreneurial, and she's soon to become queen of her own castle. Dot Smith describes herself as 'a woman's dream and a man's nightmare!' The exuberant 60-something, with bright pink flourishes in her hair, is the Grande Dame of the Riverstone complex, situated just north of Oamaru. It includes the award-winning restaurant, Riverstone Kitchen, Dot's giftware shops, oceans of organic vegetable and flower gardens and much more. Dot and her husband Neil moved to Riverstone over 30 years ago, when it was still 'a gravel pit'. Now, after years of hard yakka, they own six dairy farms running over 4000 cows. And green-fingered, clever and eccentric Dot is soon to become the queen of her own castle, a magnificent building project, set on an island at Riverstone and complete with dungeon, drawbridge and towers. In *Dot - Queen of Riverstone Castle* Dot Smith tells of growing up on a small dairy farm north of Auckland; the struggle she and Neil had in their early days of farming; the effects of both Rogernomics and the dairy boom; and the travels that inspire her gardening, cooking and retailing. And of course, she writes about how she is building a castle. It's a vibrant, engaging, and fascinating story. As Dot says, 'All this industry is really the result of a lack of brains; the creative side is so full there's no room for the other side to tell me "not to do it".'

Sonia Cote:

That reserve can make you to feel relax. This specific book Dot: Queen of Riverstone Castle was vibrant and of course has pictures on the website. As we know that book Dot: Queen of Riverstone Castle has many kinds or genre. Start from kids until teens. For example Naruto or Detective Conan you can read and think that you are the character on there. Therefore , not at all of book are make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book to suit your needs and try to like reading that will.

Kristy Moore:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the instructor want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Dot: Queen of Riverstone Castle can make you sense more interested to read.
