In Our Own Right: Black Australian Nurses' Stories

In Our Own Right: Black Australian Nurses' Stories

The intimate, private, and heart wrenching stories told in this book, the first of its kind in Australia, will penetrate the hearts and souls of even the most hardened reader.

Told with incredible dignity and humility, each of the individual and deeply personal stories recounted is a powerful testimony to the gross inhumanity and brutal capacity of white people in Australia - colonists who selectively destroy and humiliate, without remorse, the lives and souls of their fellow black Australians.

In Our Own Right: Black Australian Nurses' Stories provides a powerful catalyst for questioning and calling into question the taken-for-granted humanity of us all.
