Stephanie Harris is running from her own past while helping teenagers get on the right track. When her boss suggests she add a survival camp to her program, Steph is none too pleased. In her mind, the military-style boot camp spells "torture" rather than "teamwork. " Nathan Moses loves his job. What could be better than helping young people discover their true value in the midst of God's creation? When Stephanie doesn't share his enthusiasm - in fact, when she shows actual antagonism - Nathan wonders if there's a deeper reason than her dislike of the surroundings and his personal style. . In time, Nate helps Stephanie to see her need for the Lord. But when he's accused of serious wrongdoing, will the tender shoot of her faith be scorched in the desert?
