The chapters are divided by sub-sections for the main rooms in the house, including, living room, bedroom, kitchen, study, hall and even the garden, showing the must-have items from for those rooms in each period. There are practical styling tips, restoration and cleaning tips, and useful watch out advice for buying vintage pieces. Although chapters are separated by decade, some styles from different eras may be used alongside each other and so there are useful cross references to other chapters.
