Will You Still Love Me? Carol Roth

Said the bunny to his mother, just as sweetly as could be, “When the baby bunnies come, will you still love me?” “Of course,” said Mother Bunny. “You’re my extra-special one. And I’ll love you just as much when the baby bunnies come.” Every child is anxious about the arrival of a new brother or sister. In Carol Roth’s sweet, comforting story, various animal mothers—and one human one—reassure their little ones that love has no limits, and they will be loved as much as before. Daniel Howarth’s soft watercolors tenderly depict the mother-child bond.

This is a fixed-format ebook, which preserves the design and layout of the original print book.
